Made in the USA

The **Primo Oval G 420** transcends standard gas grills by integrating a premium grade ceramic shell. Unlike metal gas grills that radiate high amounts of heat and pull the moisture out of food, the ceramic shell of the Primo Oval G 420 acts as an insulator to retain more heat and help retain the natural moisture and oils of the food.

The assembled grill features premium grade ceramics, 304 stainless steel cooking grates, burners, flavor grids, exterior and components. The cart features brushed aluminum handles with a powder coated steel exterior and locking casters. Every Primo is built for years of use and enjoyment.

G420H HEAD UNIT ONLY CUTOUT AND INSTALLATION

Top View

NOTE: 4-1/4" open space behind grill shroud is required for hinge clearance.

NOTE: 10" of clearance from back of hinge required to open lid.

NOTE: The control panel is designed to protrude past the front of the countertop surface. (fig. 1)

IMPORTANT: The G420H is a slide-in installation, not a hanging installation. The base of the metal grill surround must be supported from the bottom edges.
