

## MHP INFRARED SERIES WRG GRILL HEADS

“

*I purchased my WNK grill back in 1997, and with a few replacement parts now and then, it has been going strong for 23 years.*

**BOB, TEXAS**

**The Infrared Burner System grills food in half the time, saving time and fuel.**

Infrared burners quickly reach an intense heat that saves time and seals in meat juices for better flavor. The high intense heat also reduces flare-ups by vaporizing juices instantly. Individual temperature controls allow for a variety of heat settings.

**1 SOLID CAST ALUMINUM HOUSINGS**

Permanent mold cast aluminum housings (not die-cast) allow greater thickness while providing years of endurance and unmatched cooking performance.

**2 STAINLESS STEEL & CERAMIC INFRARED BURNER**

These burners heat up fast with an intense heat—perfect for sealing in flavor and reducing flare-ups

**3 SEARMAGIC COOKING GRIDS**

**A Modern Home Products Grill Feature**

**These high-performance, reversible, rust-free, anodized aluminum cooking grids heat up faster and cook foods at a uniform temperature.**

The ribbed side is perfect for steaks and burgers while the smooth side is ideal for delicate items such as fish or vegetables.

**REVERSIBLE**

Ribbed Side

Smooth Side

**STA-KOOL STAINLESS STEEL HANDLE**

Our quality Sta-Kool handle stays cool to the touch even while grill is in use.

**ELECTRONIC IGNITION**

With a specially designed stainless steel collector box, gas and air are combined to provide faster starts from either side of burner. Battery included.

**STAINLESS STEEL SWING-AWAY WARMING RACK**

Standard on most of our models, our Stainless Steel Swing-Away Warming Rack can be used to keep items warm or as a secondary cooking surface.

**STAINLESS STEEL DROP-DOWN SHELVES**

Each drop-down shelf comes with built-in utensil holders and can easily be folded down when not in use to create additional patio space. *Extremely durable and FDA approved.*

**KEY FEATURES**

**ALL INFRARED BURNERS**

- Heats up quickly and grills food in half the time, saving time and fuel
- High temperatures seal in natural juices and prevents food from drying out.
- Individual temperature controls allow for a variety of heat settings

MHP Grills offers a variety of mounting components allowing complete customization of the grill to fit a particular space, need and style. Built with the same quality and durability you have come to expect from Modern Home Products, all of these components are designed to withstand the harshest elements.

### WHAT IS NOT COVERED

- Transportation and shipping costs
- Labor for replacement or repairs
- Damage from accident, misuse, alteration, abuse or improper storage, installation or lack of maintenance
- Removal and reinstallation cost
- Finishes on the surface that are damaged by improper installation, improper storage, accident, misuse, abuse or alteration
- Inoperable due to improper installation or storage
- The cost of a service call to diagnose a problem
- Discoloration due to exposure of chemicals either directly or in the atmosphere such as chlorine, fertilizers, lawn pesticides, and salt can affect the Stainless Steel components and for this reason, does not fall under the warranty terms. Deterioration or damage due to severe weather conditions such as hail, excessive humidity, hurricanes, earthquakes, tornadoes, or other acts of God are not covered by this Limited Warranty. **Discoloration of Stainless Steel including but not exclusive to surface rust is normal and is not covered by this Warranty. Therefore the discoloration, surface rust or rust are not covered unless there is a loss of structural integrity or rust through.**
- Damage caused by insects within venturi/burner tubes resulting in a flashback
- Burners, clogged due to rust or food residue
- All warranties are non-transferable and apply only to the original purchaser
- Warranties are null & void if grills are put into commercial or community use
- Warping of SearMagic® Cooking Grids and SearMagic® Warming Racks is not covered by this warranty

The warranty does not imply or assume any responsibility for consequential damages that might result from use, misuse, or improper installation of this cooking appliance.

This warranty does not cover claims which do not involve defective workmanship or materials.

**A BILL OF SALE, CANCELLED CHECK, OR PAYMENT RECORD SHOULD BE KEPT TO VERIFY PURCHASE DATE AND ESTABLISH WARRANTY PERIOD.**
